Version: Version 0.0:Initial creation of document May 26, 2015

1 Introduction

1.1 Scope and Purpose

Here is where we will have the scope and the purpose of our application.For now we have this stub.

1.2 Process Overview

Here we will list all the processes of the system and also we will give a broad over view of the processes.For now we have this stub.

2 Processes

2.1 This is where one process goes

This is one process but there can be many others added aswell.They define and illustrate how a process works and is apart of the system

2.1.1 Sub processes

Definition of a sub process

3 3 Appendices

Location for the appendix and reference materials.

4 Index

This is where the index will be located. Here the user will be able to look for specific words and see where they are located
